EPOS

BrainAdapt™

IMPACT 400 **Wireless Series**

Engineered to be heard. Designed to be used.

Engineered for the open office and designed for hybrid professionals. This high-value headset combines advanced voice pickup, exceptional battery life, and intelligent audio technologies. EPOS voice pickup technology ensures your speech is captured clearly, achieving 99% word recognition even in noisy environments. That means your message gets through accurately to customers, colleagues, and AI agents. Certified for Microsoft Teams, it enables confident collaboration across calls, meetings, and AI-powered workflows.

Certified for Microsoft Teams zoom Google Meet

Key **Features**

Exceptional battery life you can rely on

With up to 39 hours of use and Bluetooth® Low Energy Audio, you get uninterrupted performance every day.

Advanced hybrid ANC for fewer distractions

Powered by EPOS BrainAdapt™, hybrid ANC reduces listening effort and helps you maintain focus throughout the day.

Outstanding voice pickup

Premium Microphone for Open Office, featuring EPOS voice pickup technology for proven voice clarity in any environment. Certified for Microsoft Teams.

99% word recognition in noisy environments

Advanced voice pickup captures your speech, ensuring your message gets through to customers, colleagues, and AI agents.

Built for all-day performance

A lightweight headset with intuitive call controls like lift-to-mute and down-to-answer to keep you comfortable and productive.

Additional benefits & features

Microphone performance in open offices
The microphones are designed for excellent noise suppression in open offices.

Certified for Microsoft Teams
The IMPACT 400 headset series (Premium Microphone for Open Office) is certified for Microsoft Teams.

Bluetooth® LE Audio
Experience longer battery life and improved wireless efficiency with Bluetooth Low Energy Audio.

Busylight for fewer interruptions
Signals when you are on call but stays unseen on camera.

Integrates with EPOS Connect & Manager
Tap into the EPOS ecosystem to get firmware updates, tweak settings, and more.

Mute LED on microphone
Prominent LED on the microphone lets you know when you're muted at a glance.

Lift to mute feature
Simply lift/lower the boom arm while on a call to mute/unmute your microphone.

USB-C to USB-A adapter
Connect to any USB-A or USB-C device using the included adapter.

Built for portability
Easy to carry thanks to its lightweight design that folds flat when not in use.

Sustainable FSC packaging
Plastic free packaging and materials from responsibly managed forests.

Product **features**

1/3

Connectivity

Laptop, phone, tablet	Up to 30m/98 ft wireless range to a computer using the included BTD 400c dongle.
Bluetooth LE Audio	Low Energy Audio is the next generation of Bluetooth® audio, enabling audio streaming over Bluetooth Low Energy. It delivers longer battery life, improved wireless efficiency, scalable device connectivity, and enhanced audio experiences, all with lower power consumption.
Dongle	Comes with pre-paired BTD 400c dongle including BTD USB-C to USB-A adapter
Multi-point	Connect to two Bluetooth devices at the same time, including a mobile device and computer.
Multiple device pairing	Pair with up to 8 devices.

Audio

Active noise cancellation (ANC)	Hybrid ANC tuned to suppress surrounding noise to support focus in open offices and working environments with distractions.
TalkThrough	Makes brief conversations with people next to the user possible without needing to remove the headset.
EPOS ActiveGard™	Protects users againt acoustic injury caused by sudden bursts on the line.
EPOS EU Noise at Work Limiter®	Enhanced audio protection that reduces the risk and severity of acoustic shock, average 85 dB over a work day.
Australia G616 Acoustic Safety	Enhanced audio protection that reduces the risk and severity of acoustic shock, not exceeding 102 dB SPL.
EPOS BrainAdapt™	Proven to reduce users listening effort, improve speech recognition and improve memory recall by reducing the cognitive load on the brain caused by noise or poor audio.*
