TUGÒ 3

// cabin luggage backpack

Compact travel backpack made from recycled-plastic fabric, available in two sizes: Tugò M, an underseat format designed to fit under the seat, and Tugò ML, a cabin format for the overhead locker. Both have a separate, padded rear compartment for 15.6” laptops or 16” MacBook Pro. Two external accessory pockets, an internal AirTag pocket and a spacious main compartment for clothing and accessories, lockable with any padlock that fits the zip pulls. The two handles (top and side) and the trolley strap ensure excellent portability.

+ Sized for low-cost airline cabin requirements
+ Separate, padded rear laptop compartment
+ Made from recycled-plastic fabric
+ Internal AirTag pocket
+ Trolley strap
+ External pockets

DIMENSIONS:
