WORKOUT 5

Line Overview

WORK OUT, FIFTH EDITION

Work Out 5 marks the evolution of one of Tucano’s most iconic lines. Now in its fifth edition, the collection preserves its essential identity while reinterpreting it with a contemporary touch. Slim shapes, water-resistant coated materials, and a refined color palette define a light, functional, and modern proposal. Bags and “skin” backpacks that redefine the concept of a laptop bag, striking the perfect balance between protection, practicality, and minimalist design.

WORK OUT 5

Slim bag

The Work Out 5 bag offers well-organized compartments, ideal for holding everything you need for daily use. Made from resin-coated fabric the Work Out bag provides effective protection. Its structure features a padded internal pocket for MacBooks up to 14", as well as a removable shoulder strap for versatile carrying. The contrast-colored inner lining adds a distinctive visual detail to its clean, compact construction.
