

GOMMO

Duffle

Weekender bag in rubberised material, usable as a duffel bag or as a backpack, thanks to the double fastex system that transforms the handles into shoulder straps. Featuring a spacious main compartment and excellent external pocket organisation, the weekender bag is ideal for the gym, travel or urban commuting. Removable shoulder strap included.

FEATURES:

- Shoulder strap included
- Spacious main compartment
- Weekender bag in rubberised material
- Interchangeable fastex system that transforms the duffel bag into a backpack
- Excellent external pocket organisation
