USB-C® 11-in-1 Multiport Dock

Our USB-C 11-in-1 Multiport Dock with up to 5 Gbps of bandwidth is the perfect all-in-one solution to connect your USB-C laptop to multiple devices. Create your ultimate workstation or lead a seamless online presentation when you conveniently connect your laptop to monitors, SD cards, and thumb drives. Doubles as a laptop stand, keeping cables organized with connection ports in the back. It also supports pass-through charging up to 100W, eliminating the need to choose between port expansion and power. Plus, with a 1 Gb Ethernet port, you'll always have a safe and secure internet connection.

Product Benefits

- Supplies multimedia and Ethernet ports that have been eliminated from the latest Apple and PC laptops.
- Connects USB-C devices to projectors, monitors, SD cards, and thumb drives.
- Ethernet port ensures safe and secure internet connection.
- Pass-through charging of up to 100W eliminates the need to choose between port expansion and power.
- Sits neatly at a desk, easily keeps cables organized with connection at the back, and doubles as a laptop stand.
- 5 Gbps data transfer rate delivers quick data transfer between computer and peripheral devices.
- Features HDMI, DisplayPort, and VGA video options and supports high-definition display resolutions up to 4K.

Technical Specifications

- 4K HDMI® 1.4
- 4K DisplayPort™ 1.2
- VGA
- 1x USB-C PD 3.0
- 2x USB-A 3.0 BC1.2
- 1x USB-A 2.0
- 1x Ethernet
- SD 3.0 card reader
- MicroSD 3.0
- 3.5mm audio in/out
- Up to 100W Power Delivery (minus 15W for the dock's operation)*w

Package Includes

- USB-C 11-in-1 Multiport Dock

Compatibility

For:

USB-C laptops and tablets

Thunderbolt™ 3 port compatible

USB-C® 11-in-1 Multiport Dock

The Belkin CONNECT Family

CONNECT products are all about making connections. From cables that charge and share data to docks that bring devices together for a more streamlined experience, CONNECT delivers data in the most efficient way possible while maintaining the highest levels of quality. The very first product Belkin released to market was a cable, and we are proud to say that making connections has been an essential part of our story ever since.

The Belkin CONNECT Family Characteristics

- Developed for compatibility with industry-leading protocols (examples include Dolby Vision™, HDR 10, HDMI, DisplayPort)
- High-resolution support
- Maintains a high-speed connection for smooth picture
- Simple plug-and-play connectivity
- Durable construction

The Belkin Difference

- Pioneer in innovation and technology for over 35 years
- Rigorously tested to ensure lasting quality

SKU#: INC004btSGY

*USB-C port supports data transfer and pass-through charging up to 100W, minus 15W for the dock's operation. Recommend using minimum 65W charger (not included) which will deliver up to 50W pass-through charge while using other dock functions. Performance depends on laptop requirements.
